

Summer Reading Choice Challenge

Hello Families,

We are offering a second grade Choice Reading Challenge to promote reading over the summer. Attached, you will find a choice sheet with criteria for books to read.

Put an X through each box you and your child complete. A book can only count for one choice square, even if it fits the criteria for more than one box. Try to make as many choices as you can! :)

If you don't have books from home that meet the criteria, you are welcome to use books from Epic or visit the town library! Bring your finished board back during the first week of school for a special prize! Boards received after the first week will not be counted.

We can't wait to get started and see which books you will read!

Happy Reading!
The Second Grade Team

Choice Reading Challenge

- Read any five books below and put an X through each box you read.

a book that takes place before you were born	a book with an animal on the cover	a book of your choice to a family member or pet!	a book in a series	a book that was a parent's childhood favorite
a book that became a movie	a book with a main character who is older than you	a book with a number in the title	a book with a mystery	a joke book
a funny book	a book set in a different country	a non-fiction book	a fairy tale	a book about a historical event
a book your friend loves	a book that takes place in the summer	two picture books by the same author	a graphic novel such as Diary of a Wimpy Kid, Geronimo Stilton, Bad Kitty, Owl Diaries	a book whose title starts with the word, "I"
listen to a chapter book as an audio book	a book that has won any award like a National Book award or Newbery honor	a book from the public library	a book that is more than 10 years old	a book by Dr. Seuss

I affirm that my child has completed the summer reading challenge.
